

Africa Exchange Program Support Options (2026)

Our Funding Priorities are listed below, related to outreach through our Integrated Child Development Center hubs spread all around Kenya.

All figures include overhead costs associated with staffing/implementation/delivery of respective components.

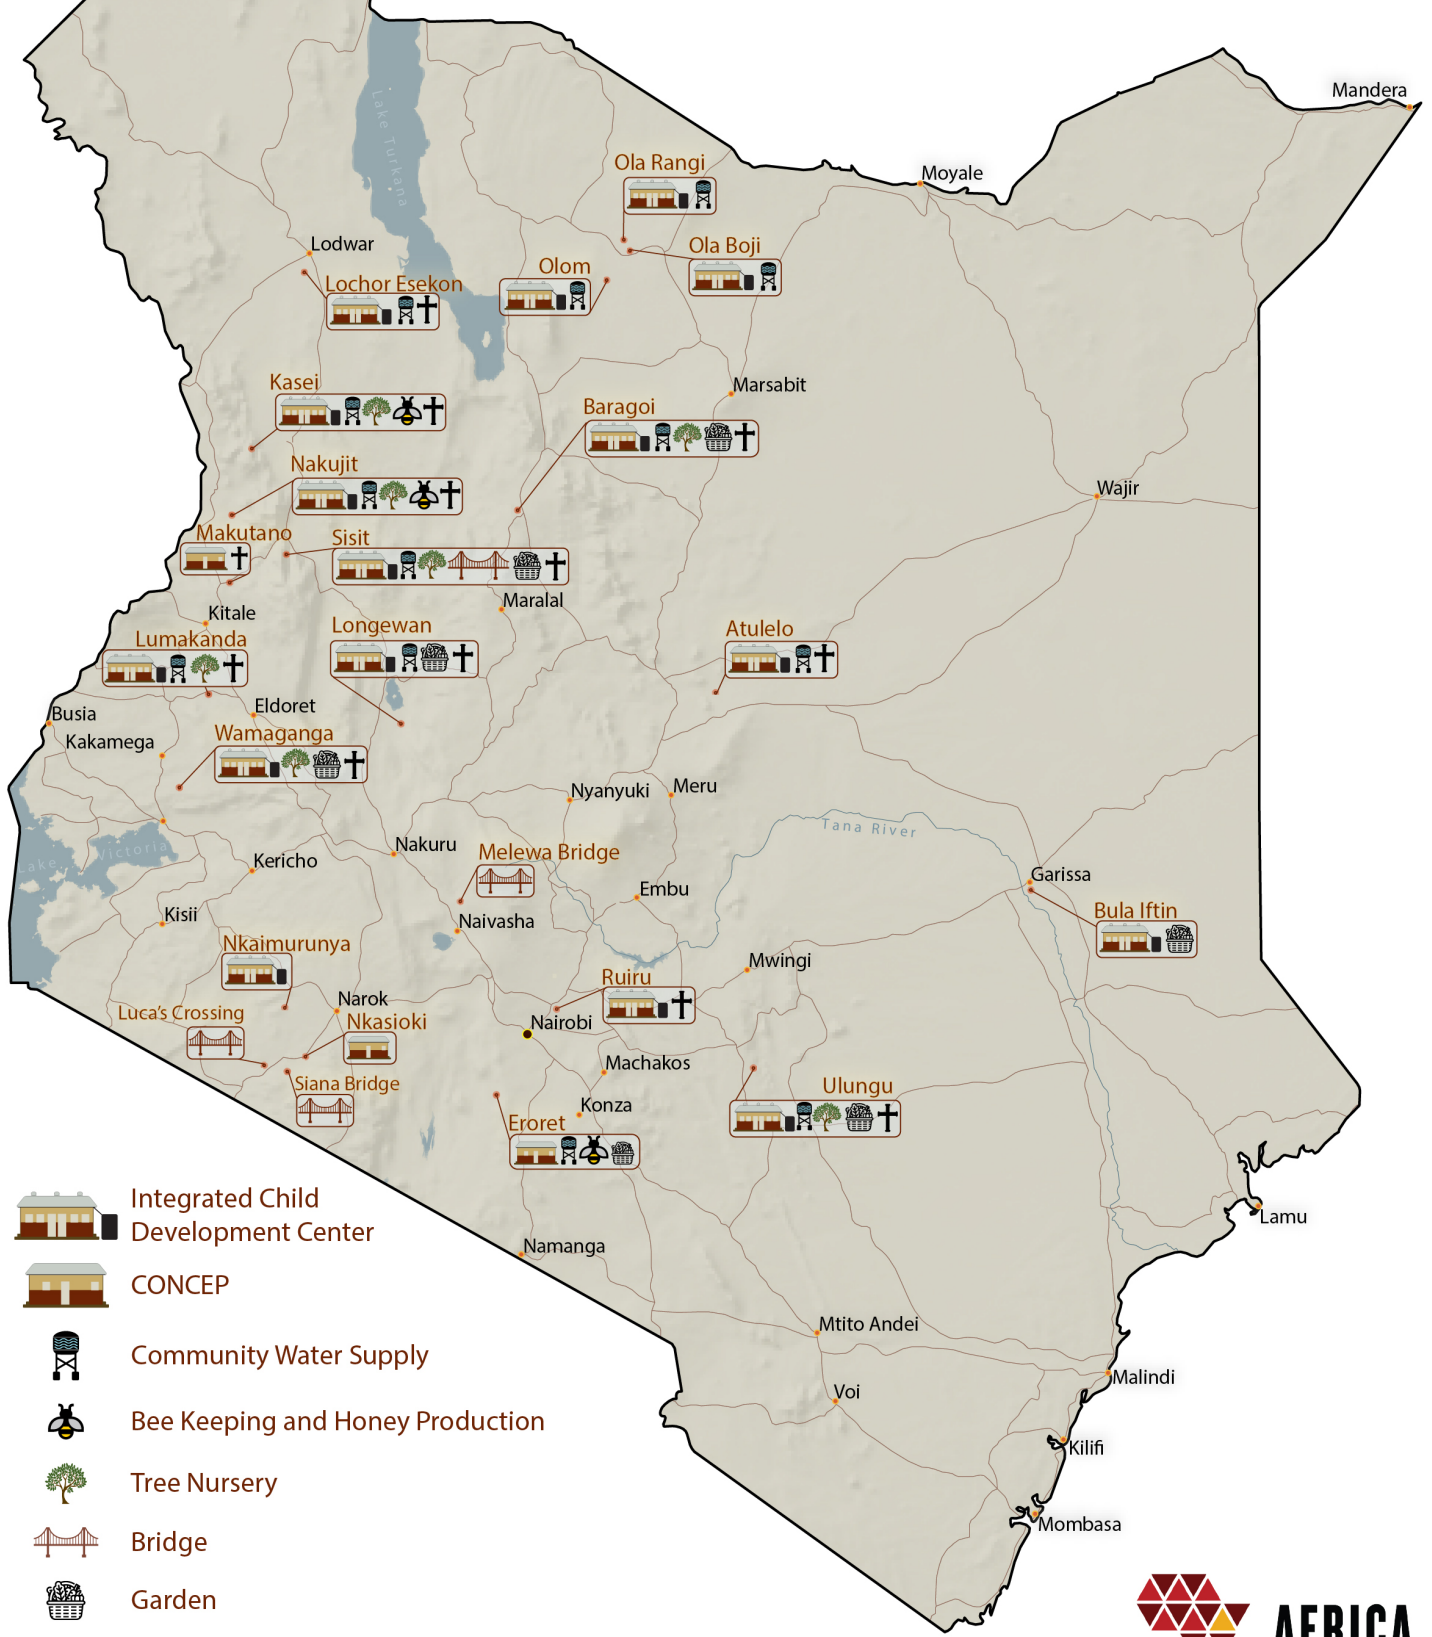

1. **\$50** – 20 indigenous seedlings for planting in community homesteads.
2. **\$100/\$120** - Support one child for one school year at an integrated child development center (ICDC) - includes daily porridge/porridge&lunch, mosquito net, education/activity supplies and three trees for planting.
3. **\$200** – Handwashing station
4. **\$500** – Tree planting for one year at one ICDC unit
5. **\$500** – Change for Children Activity Supply Kit for one ICDC unit – includes craft supplies, resource books, colored pencils/markers, exercise books, etc. for teachers to facilitate creative classroom activities for a year for 50 children.
6. **\$1000/\$1500/\$2000** – Scholars Program – Contribution to our endowment for annual fees for secondary boarding school/tertiary/university scholarships for qualified students.
7. **\$1,500** – Education curriculum materials for one ICDC unit per year.
8. **\$2,500** – 4-bay swing set with commercial grade swings and connectors
9. **\$3,000** – Establishment of one tree nursery enclosure, with initial stocking and training
10. **\$5000** – Sustainability/income generation activity cohort - training and income generation activity per unit (bee keeping, kitchen gardens, etc.)
11. **\$6000 (\$7500)** – Change for Children annual school feeding program for one ICDC unit – daily porridge (plus lunch during crisis circumstances) for an average of 75 children per year, plus cooking.
12. ***\$15,000** – Full annual support of one ICDC unit (average 75 children)
13. **\$25,000** – Dining/activity shelter/pavilion in very hot areas/for rainwater catchment
14. **\$40,000** – 100 meter-deep (average) drilled borehole with solar pumping apparatus, 5-meter elevated water tower, tank and distribution kiosk for school and community.

***Consider** covering the full annual operating cost of one of our newest Integrated Child Development Centers located in Kenya's arid/semi-arid (ASAL) regions.
