*—Please take a moment to silence your cell phones—*

Never underestimate the value of a cornerstone, the first stone laid in any structure. It is the source of the strength, stability, alignment, and purpose of anything built upon it. Historians Tacitus and Suetonius record the catastrophic loss of life from the collapse of the Fidenae amphitheater in 26 CE. An estimated 20 to 50,000 lives were lost or severely injured. All as a result of a structure built on a faulty, inadequate foundation by an architect hungry for prestige and profit.

Our lives are built on cornerstones of one kind or another. Have you considered yours? A faulty foundation will ultimately collapse. Is Christ Jesus your cornerstone? He is the sure foundation. In him there is no fault. He offers strength, stability, purpose, promise, and blessing. Choose Jesus as your cornerstone.

*Congregation reads the bold print*

**Above all, put on love—the perfect bond of unity. And let the peace of the Messiah, to which you were also called in one body, control your hearts. Be thankful. Let the message about the Messiah dwell richly among you, teaching and admonishing one another in all wisdom, and singing psalms, hymns, and spiritual songs, with gratitude in your hearts to God.**

Therefore as you have received Christ Jesus the Lord, walk in Him, rooted and built up in Him and established in the faith, just as you were taught, and overflowing with thankfulness.
