CONTEMPORARY WORSHIP SERVICE

Sunday, May 21, 2023 • 11 a.m.

God Will Meet You Where You Are

Sermon Notes:

We are delighted you are here and pray that your worship experience will be a blessing. We encourage you to express yourselves freely through singing, clapping, and celebrating our Lord!

Children are welcome to stay in the service, but we now have Children's Church for K-5th. Children start the service with their parents and will be dismissed after the offering prayer. We also have childcare for children birth to JK during the service.
